Mr. Walter E. Kreidel

Dear Walter:

I certainly appreciated your bulletins that you sent when you first moved. If it is not too much trouble I would like for you to continue sending them.

I trust that you and the family are all well and that your work there is progressing.

In looking over my books that have been loaned, I discovered that you have a book of mine entitled "Jehovah of the Watchtower". I would appreciate it if you would check through your library and if you still have the book, to please send it to me as I consider it a very important reference volume.

On February 1, 1960 I will be moving to the Broad Street congregation in Cookeville, Tenn. I held a meeting there this fall, which was highly successful, and the brethren have asked me to come and work with them, allowing me the opportunity of completing my college work through my Master's degree at the college in Cookeville, Tennessee Tech. The group has about three hundred members with seven elders and six deacons, and I am truly looking forward to the work there.

Sue and I spent part of yesterday with Jerry and Barbara, both of whom seem to be doing just fine. I was glad to learn of their intention to accompany your group to South America.

We send our best wishes to you and the family.

Fraternally yours,

John Allen Chalk
